U.S.C. § 120. Thus, under 37 C.F.R. § 1.98(d), copies of the listed documents are not required to

be provided.

Applicants respectfully request that the Examiner consider the listed documents and

evidence that consideration by making appropriate notations on the attached PTO 1449 form.

This submission does not represent that a search has been made or that no better art exists

and does not constitute an admission that the listed documents are material or constitute "Prior

Art." If it should be determined that any of the listed documents do not constitute "Prior Art"

under United States law, Applicants reserve the right to present to the Office the relevant facts

and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability

of the disclosed invention over the listed documents, should any of the documents be applied

against the claims of the present application.

If there is any fee due in connection with the filing of this Information Disclosure

Statement, please charge the fee to our Deposit Account No. 50-0310.

Respectfully submitted,
